CDT

Hey.

What is your name

Question
06/10/18 3:17 PM
CDT

Tina Jones.

Your date of birth?

Question
06/10/18 3:17 PM
CDT

February 17th.

And how old are you?

Question
06/10/18 3:18 PM
CDT

I'm 28.

What brought you into the clinic today?

Question
06/10/18 3:23 PM
CDT

I came in because I'm required to have a recent physical exam for the health insurance at my new job.

Do you have any current health problems?

Question
06/10/18 3:23 PM
CDT

I don't have anything specific going on today. I mean, I still have asthma and diabetes, but both of those are under control. I'm taking good care of my health these days.

Where is your new job? (Clarified to what is your new job.)

Question
06/10/18 3:26 PM
CDT

I'm going to be an Accounting Clerk at Smith, Stevens, Stewart, Silver & Company. I'll be helping a more experienced accountant with her clients, and then eventually I'll get more responsibility, and build my own client list. I start in two weeks--I'm really excited!

That is great that you are excited

Empathize
06/10/18 3:27 PM
CDT

Thanks.

When was your last physical?

Question
06/10/18 3:28 PM
CDT

Let's see... I had two doctor's appointments earlier this year. About five months ago, I came in here for a check-up, and the nurse practitioner got me on metformin. Then a few weeks later I saw a gynecologist for a pap smear.

And what did your kind of gynecologist say?

Question
06/10/18 3:28 PM
CDT

She said everything looked good, except that I had PCOS, which the nurse here had said was possible. She started me on birth control, and it seems to be helping things.

How much birth control are you taking? (Clarified to How often do you take birth control.)

Question
06/10/18 3:29 PM
CDT

	I take it every morning, with breakfast.	
	What is the name of your birth control? (Clarified to what was the name of the birth control pill you took.)	Question 06/10/18 3:29 PM CDT
	They're called Yaz.	
	Has your menstrual cycle improved since TAKING YAZ?	Question 06/10/18 3:30 PM CDT
	Now that I'm on the pill I'm getting my period every month.	
	That's great I am really glad that you are having your period every month	Empathize 06/10/18 3:32 PM CDT
	Thanks.	
	How long have you had asthma?	Question 06/10/18 3:32 PM CDT
	I've had asthma a long time. . . since I was really little.	
	What age were you diagnosed with asthma?	Question 06/10/18 3:32 PM CDT
	My doctor told me when I was pretty little... I think I was about two and a half? I used to have a lot of trouble with asthma attacks back then.	
	That sounds frightening	Empathize 06/10/18 3:33 PM CDT
	Thanks.	
	How do you manage your asthma?	Question 06/10/18 3:33 PM CDT
	I try to avoid things that give me breathing problems, but when my asthma starts to act up, I just use my inhaler.	

What are your triggers for asthma?

Question
06/10/18 3:33 PM
CDT

Being around cats is the worst, but dust and running up stairs can make my breathing bad, too. I haven't had a full asthma attack in years, though.

What happens when you're around DUST?

Question
06/10/18 3:34 PM
CDT

I used to have a reaction when I was in a dusty house for a long time. . . I would get allergies, like sneezing and stuff, and then my asthma would act up. But that hasn't happened since I got my daily inhaler.

What daily inhaler do you use?

Question
06/10/18 3:34 PM
CDT

It's Flovent.

How much fLOVENT do you use a day (No matching questions found.)
