Who killed Barry?

<https://www.crime-time.co.uk/redherring.html>

As you play the game make sure to answer the questions below. Make sure to spend lots of time clicking around. You will find clues (white circles), witnesses (red circles), and items called "Red Herrings" which are just items and not clues (also white circles). You will also need to interrogate the witnesses. Each Witness has a section below for you to write what you interrogated them on. You do not need to go in any particular order as long as you get them all.

Background

Grimsby Docks in the 1950s are a busy hive of industry. Employment is at an all time high since the war, with record fish landings, deal boats and all manner of commercial goods arriving by ship every day.

With countless individuals employed at the docks and railway yards, flour and timber mills, not to mention the various convenience food manufacturing plants which have sprung up in recent years, accidents happen almost daily. This evening though, a body has been discovered in the street and foul play is suspected.

Barry Cuda, second mate on the trawler the Peggy Sue is one of Grimsby's better known three day millionaires. Rumour has it he returns from his three weeks at sea with more than his already high pay cheque to spend.

His discovery, dead in the alley, has come as a shock to some, and no surprise to others. But the question is... who killed him and why?

Witness Name	Information Learned	Connection to suspect	Why are they a suspect?	Can they be ruled out as the killer? Why?
Honor Shift	She works at spillers and is dating andy. She stole barry's watch and money	Her boyfriend works with barry.	She didn't like Barry because he blackmailed her boyfriend. And threatened to kill him. She had stolen his watch and his money	Yes, she seems too fragile to kill a man like a barry who is 3 times her size.

Alexandra Dock	Working all afternoon. Sold John a brand new axe that afternoon. Heard a loud splash just right after she left work. She heard a splash while she was heading home.	The recent girlfriend of Barry.	She is not a suspect.	Yes, she was working at the time of the murder
Goldie Crumm	She saw the altercation between Barry and Tim	Was the ex-girlfriend of Barry she dumped him years ago.	She was near the crime scene at the time.	Yes, she was home before the murder happened. She dated Barry and then dumped him which means she had no means to kill him.
Ava Nother	She has seen Barry walk with Tim and Sly who both engage in Black Market. She was working in her shop at the time Barry was murdered.	She really doesn't know anything about him but his facial appearance	She had Barry's watch with her which was given to her by honor shift	Yes, she was working at the time of the murder.
Alber Dock	He was working when Barry was murdered.	Knows nothing about Barry, only knows his facial appearance.	He knows that Tim and Sly deal with activity in the black market.	. Yes, he was working at the time of the murder.
Sly Backander	Got into an altercation with Barry in the ally	He worked with Barry and Tim in the black market.	Got into a physical fight with Barry and left him with stab wounds.	Yes, he only just injured him a few times with the knife wasn't trying to kill him.
Paula Nother	Works at the pub all afternoon when Barry was murdered.	Barry ex-girlfriend	She put something into his drink at the bar.	Yes, she only made him sick with the laxative she poured into his drink.

Tim Burr	Got into an altercation with barry.	Worked with Barry and sly in the black market.	Seems when Tim and Barry got into an altercation Tim grabbed a beam of wood and hit him with it.	Yes, he only bruised barry with the beam of wood only until barry pulled a gun on Tim.
Annette O'Phish	Her son Philip died at sea due to an accident but it was never proven. Works at the chip shop.	She had seen barry with different women when he walks into the chip shop but she never told anyone it was their little secret.	She is not a suspect.	Yes, she only knew barry by the women he was with.
Andy Syze	Works on the Peggy sue boat with john dory he is the apprentice his girlfriend	He worked with barry on the Peggy sue boat	He was being blackmailed and threatened by barry if he didn't give up his apprentice spot.	Yes, he was very frightened and scared of barry because he had been threatened.
John Dory	He is the captain of the Peggy sue boat.	Barry was his second mate on the Peggy sue boat	Andy was been threatened and blackmailed by barry and it frightened the kid so he sought out to protect andy.	No, there was a big gash in the middle of barry's chest and john had bought a new axe that same day but the axe was never found at the crime scene.

Which piece of evidence was misidentified? **Barry's watch**

What medicine had Barry ingested recently in large quantities? **Laxative medication**

Who saw Barry last (alive or dead)? **Goldie crumm saw barry alive**

Who was Barry dating? **Alexandra Dock**

Why did the parents of Barry's two girlfriends not like Barry? **They said he was no good and that he was cheating on them.**

Who was Barry blackmailing? **Andy**

Who was Barry working within the Black Market? **Tim and Sly**

How many potential murder weapons were there discovered in the investigation? Name them. **The gun, the beam of wood, the flip knife,**

Which potential murder weapon is missing from the evidence collection? **John dory's axe**

Who do you think killed Barry? **I think John Dory killed barry because his axe is the only missing weapon from the crime scene there was a big gash on barry's chest which resembles that barry was hit with an axe and plus he was protecting andy from barry because he heard that barry threatened and blackmailed him.**
