 - Acral-lentiginous melanoma
 - Venous stasis ulcers
 - Herpes zoster
 - Urticaria
 - Shingles
 - Psoriasis
 - Impetigo
 - folliculitis
 - Systemic lupus erythematosus
 - Malignant melanoma
 - Basal cell carcinoma
 - Acne vulgaris
 - Tinea cruris
 - Eczema
 - Scabies
 - Syphilis

- Tinea versicolor
- Cellulitis
- Rhus dermatitis

HEENT

- Differential diagnoses for patients with HEENT disorders
- Various treatment options for common HEENT disorders
- Evaluate pattern recognition in patient diagnoses
 - Otitis externa
 - Snellen chart
 - Types of conjunctivitis
 - Amaurosis fugax
 - Criteria for strep throat
 - Cornea abrasion
 - Iritis
 - Subconjunctival hemorrhage
 - Allergic rhinitis
 - Retinal detachment
 - Glaucoma
 - Cataracts
 - Aphthous ulcers
 - Candidiasis
 - Oral cancer
 - Epistaxis
 - Meniere's disease
 - Acute vertigo
 - Uveitis
 - Keratitis
 - Pterygium
 - Chalazion

- Blepharitis
- hordeolum

Cardiovascular

- Differential diagnoses for patients with cardiovascular disorders
- Various treatment options for common cardiovascular disorders
- Evaluate pattern recognition in patient diagnoses
 - Aortic aneurysm
 - Thrombophilia
 - Stages of hypertension
 - DVT
 - Coronary artery disease
 - MI
 - Atherosclerosis
 - Atrial fib
 - ST elevation
 - Heart sounds
 - Aortic stenosis
 - Varicose veins
 - Hyperlipidemia
 - arteriosclerosis
 - Angina
 - Ischemic arterial ulcers
 - Cholesterol screening
 - Abdominal aortic aneurysm

Respiratory

- Differential diagnoses for patients with respiratory disorders
- Various treatment options for common respiratory disorders
- Evaluate pattern recognition in patient diagnoses

- Asthma
- Pneumonia – all types
- Acute bronchitis
- Chronic bronchitis
- COPD
- Cystic fibrosis
- Adenocarcinoma
- Large and small cell carcinoma
- Positive ppd
- Croup
- Pertussis
- GOLD standards for COPD
- Spirometry results

Gastrointestinal

- Differential diagnoses for patients with GI disorders
- Various treatment options for common GI disorders
- Evaluate pattern recognition in patient diagnoses
 - Diarrhea
 - Anal fissures
 - Hemorrhoids
 - GERD
 - Esophageal cancer
 - Liver disease
 - Hepatitis
 - Irritable bowel syndrome
 - Constipation
 - Ulcerative colitis
 - Pancreatitis
 - Barrett's esophagus
 - Fecal occult blood

- Chronic cholelithiasis
- hernias
